Glimmerant's Movie Ranking System (GMRS)

Ranking Levels

Level 1: Terrible

Movies that are poorly made, lack coherence, and are generally unenjoyable.

Level 2: Bad

Movies that have some redeeming qualities but are mostly disappointing or flawed.

Level 3: Average

Movies that are neither good nor bad; they have some entertaining moments but lack depth or originality.

Level 4: Good

Movies that are well-made, engaging, and enjoyable, with solid performances and direction.

Level 5: Great

Movies that are exceptional in storytelling, direction, and performances.

Level 6: Masterpiece

Movies that are groundbreaking, influential, and considered classics.
